DOCKETED BY

RC

AZ CORP COMMISSION  
DOCKET CONTROL

IN THE MATTER OF THE APPLICATION OF  
SALT RIVER PROJECT AGRICULTURAL  
IMPROVEMENT AND POWER DISTRICT, IN  
CONFORMANCE WITH THE  
REQUIREMENTS OF ARIZONA REVISED  
STATUTES, SECTIONS 40-360, et seq., FOR A  
CERTIFICATE OF ENVIRONMENTAL  
COMPATIBILITY AUTHORIZING THE PRICE  
ROAD CORRIDOR PROJECT, NON-GILA  
RIVER INDIAN COMMUNITY PORTION  
LOCATED IN THE CITY OF CHANDLER,  
ARIZONA OR WITHIN MARICOPA COUNTY.

DOCKET NO. L-00000B-15-0059-00170

Case No. 170

N. LAINE SCHONEBERGER'S  
REQUEST FOR INTERVENER  
STATUS

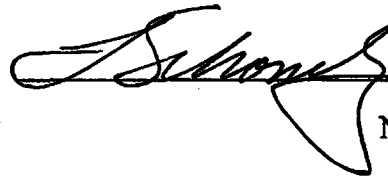

The rule governing intervention requests is A.A.C. R14-3-105. The two components are that (i) the person requesting intervention will "be directly and substantially affected" by an ACC decision in the proceeding in question, and (ii) the intervention which is the subject of the request will not delay the conduct of the proceeding.

Therefore, (i) I, N. Laine Schoneberger, a customer of Salt River Project, on behalf of myself and for the benefit of Arizona Communities United, representing over 2000 individuals in South Chandler, also customers of Salt River Project respectfully request intervener status be granted immediately. As for substantiation that I [and my community] will "be directly and substantially affected". As my home address is 4555 S. Exeter St, my home is located only 30 yards from the proposed high voltage power lines as mentioned in the above referenced docket number. Based on all available documentation I will personally suffer a financial loss of no less than \$100,000 and depending on the exact location of a pole in relation to my home, upon the installation of the proposed lines could

1 lose as much as \$750,000 or more. Hereby fulfilling the first of two components to gain  
2 intervener status.

3  
4 (ii) It is not the intention of N. Laine Schoneberger or Arizona Communities United to stop or  
5 postpone the project. In fact, it is my [our] goal to get the project finished in a timely and  
6 expeditious manner in a way that is best for the entire community, SRP, GRIC and any other party  
7 involved. Hereby fulfilling the second of the two components to gain intervener status.

8  
9  
10 Respectfully submitted this 11<sup>th</sup> day of May, 2015.
